Welcome to the SJE School Wiki

The SJE School Wiki is a living, collaborative resource for the SJE community. Launched in 2025, this wiki centralizes key information (policies, calendars, events, programs), preserves our school traditions and best practices, and supports clear, organized communication among parents, teachers, staff, and volunteers. Learn more about the SJE School Wiki. Most pages are available to SJE families with an account. Access is restricted by design to protect student and family privacy.

Please log in to continue. For help with access, email Matthew Duclos.
